

The true Adventure on the Elephant

Our elephants come from here and as part of our effort to conserve this magnificent species, we'd like you to learn more about them, go trekking and experience life with our incredible elephants. By riding our elephant you help us to help the other elephants in Sumatera by providing funds for food and land to make sure their home remain protected.

We welcome you to enjoy the welcome drink at the valley view cafe, watch the elephant enjoy morning or afternoon bath and meet the head mahout to learn about their daily life.

The Adventure Shot Trek

If you want to be a friend of a great Sumatrans elephant, than try our shorter adventure trek, you get to experience the beautiful landscape of our camp as well as venturing out for 15 minute trek along the edge of the valley.

You may also get to see monkeys and tropical birds in their natural habitat. Look down at the raging ayung river and discover how much fun riding an elephant can be. Our elephants will also show you his pool as he wades through the water to cool off from the hot of sun. Feel free relax and enjoy lunch at the trunk's mahout café at the end of the trek.
